www.gkciet.ac.in

Narayanpur, Malda, West Bengal - 732141

Prof. Siby John
Director, GKCIET, Malda

From Director's Desk

Welcome to the Ghani Khan Choudhury Institute of Engineering and Technology!

Ghani Khan Choudhury Institute of Engineering and Technology was established in 2010 by the Ministry of Human Resource Development, Government of India with an innovative modular pattern of formal technical education, so as to meet the technical manpower requirements of the region, in particular, and of the Country, in general, at different levels; as well as non- formal education to prepare the skilled and qualified manpower for self-employment as well as industrial employment. These levels include skilled manpower, supervisory level technical personnel and Junior/middle managerial level technical personnel. Whatever budding problems/issues the institute has faced in its formative years have been resolved during 2017-18 and the institute obtained affiliation to Maulana Abul Kalam Azad University of Technology (MAKAUT) In May, 2018. With the affiliation of Diploma courses under WBSCT &VE & SD; first batch of students were admitted in 3-year diploma courses and 4-year B. Tech courses from the Academic Year 2018-19. The present management is firmly committed to achieve the objectives envisioned in its establishment and fulfill the aspirations of the stakeholders of the region under the modified academic regime.

ABOUT GKCIET

1. **OVERVIEW**

Ghani Khan Choudhury Institute of Engineering and Technology (GKCIET), Malda started its journey in 2010 with one of the visions to meet technical manpower requirements of the society and of the country at different levels. Mechanical Engineering is one of the premier disciplines/departments of this Institute towards fulfilling the vision. At present, this department is offering undergraduate programs at different levels - 3 years diploma and 4 years B. Tech following the industry-academic oriented curricula as per AICTE and affiliating Council and University, respectively. The diploma program is affiliated to the West Bengal State Council of Technical & Vocational Education and Skill Development (WBSCT&VE&SD), Kolkata, and B. Tech program is affiliated to the Maulana Abul Kalam Azad University of Technology (MAKAUT), West Bengal.

This department is well equipped with its laboratories, workshops, computational laboratories & other necessities besides its leading by the active and dynamic faculty and staff members under the leadership of Hon'ble Director, Prof. Siby John and his administration. It caters Engineering Sciences mainly in Design Engineering, Thermal Engineering, Industrial Engineering and Production & Manufacturing. It has grown steadily since the beginning in all fields especially in teaching, and flourishing in research and publication also. Together with teaching & research, it trains its students facilitating learning tools (like IGNITE: Industry 4.0, Growth, Networking, Innovation Technology & Entrepreneurs Center of Excellence - an Industry & Emerging Technology based software) to know about industry, its products & the problems, and the technology developing worldwide, and internships/trainings– which leads students' to meet the current industrial needs as well as need of the society. Towards creating a techno-mixed culture in the department, it organizes inter-disciplinary training to different parts of the society such as the BSF employees, Nirman Sahayaks & Rural Engineering Mentors etc.

FACILITIES

REACH US ?

RAILWAYS

Located about 10 km away is one of the cleanest railway stations in West Bengal the Malda Town Station (MLDT). It is well connected to all the major cities such as New Jalpaiguri, Howrah, Kolkata, Delhi, Hyderabad, Bangalore, Assam, Mumbai. There are express and super-fast trains, including the Shatabdi Express, Vande Bharat, that halt here.

ROADWAYS

The road connectivity is well developed. The College Bus services for the students are regular and efficient. The College Campus is just 1 km away from NH 12. Auto and Toto are available at Narayanpur Popra More. Malda Town is just about 20 Minutes away by road.
